## News of the Region

### Four Year Anniversary Convergence

F3 Pittsburgh celebrated four years of Fitness, Fellowship and Faith with a convergence held at Pine Community Park on April 24, 2021. The event was Co-Led by 7 PAX from the region and attended by 44 HIM from across F3 and beyond. We had one downrange PAX, one PAX who recently moved to the region, and four FNG's! After the beatdown, several PAX participated in the Adopt-a-Highway cleanup of Pearce Mill Road.

### Passport Challenge

A new monthly challenge was also started in April called the "Passport" challenge. The goal is to visit each AO in F3 Pittsburgh/Grove City within the calendar month. We had two HIM complete this challenge in April. Please congratulate LBT and Abacus on a fantastic accomplishment.

### April Postmaster

This month's Postmaster award was a three headed monster. We had a tie between Vowels, Kato, and Abacus who each posted 25 times this past month. No easy task and one that should be acknowledged. Congrats to the Postmasters for April.

# Meet the PAX

## Meet the new F3 Pittsburgh Leadership Team:

### Nantan: Maxime – Kyle Borden

Maxime joined F3 on May 14, 2020. He was EH'd by Zorn who after several attempts to keep him away, allowed him to join F3 during the pandemic via zoom. Max is 34 years old and has been married to his wife Brittany since 2012. They have one daughter, Emilia, who is 6 years old.

Max is a Senior Compliance Lead for CNX Resources Corporation out of Canonsburg, Pa. He has been with CNX for 7 years and moved to the Pittsburgh area (Donora) in July of 2017. Max enjoys exercising, hunting, hiking with his daughter, and watching the Philadelphia Eagles.

### F's Q: Belding – Chris Richards

Belding was at a Breast cancer 5K in Columbia, SC supporting his mom, breast cancer survivor, and a rambunctious group of idiots were raising a ruckus with pink shirts with an emblazoned F3. Curiosity killed the cat, so Belding meandered home, fired up the AOL dial-up, and put F3 in the google machine...everything changed.

Belding joined F3 through the F3 Columbia, SC region on June 15, 2013. Belding and his M, Rachel, and 2.0s Tinley (8) and Edie (6) moved to the 'burgh in May of 2020 because every sane career-changing pastor starts a church (Steel City Church) in the midst of a global pandemic. As a 14 year educator and now a pastor, Belding is content to stargaze and discuss feelings with the PAX of F3 Pittsburgh any day...any time. Serving as your FsQ (no...FQ), Belding is running on the Libetarian/Green Party Ticket with the platform of eradicating Burpees.

### Weasel Shaker: Uncle Rico – Brad Dvorsky

Uncle Rico, formerly known as Paw Patrol during the COVID virtual days, has been a member of F3 Pittsburgh since February 2020 and named Uncle Rico in June 2020. Uncle Rico has a wife, Rachel, of 11 years and four children 2 boys and 2 girls. He is employed by MSA Safety as a Software Team Lead and still enjoys playing sports of all types, especially golf. When not golfing, creating things through software and playing around with hobby electronics kits occupies his hobby time.

Uncle Rico is jumping onboard symbiotically with the PAXminer as the Weasel Shaker. The key to success for stat transparency is the Q's creating the backblasts, so Uncle Rico will gently encourage the Q's to enter the back blasts in a timely manner.

### Comz Q: Bieber – Eric Stauffer

Bieber has been a member of F3 Pittsburgh since the summer of 2017, having been EH'd by FIAB and attended his first beatdown in an attempt to get him to shut up about this F3 thing. That worked out well.

Bieber is employed as an actuary for Highmark Health in Pittsburgh, has been married to his lovely wife, Millie, for 2 and a half years, and enjoys video gaming, running, and reading in his free time.

As Comz Q, Bieber hopes to get the PAX of F3 Pittsburgh connected with one another and plugged into the community in new and exciting ways!

## 2<sup>nd</sup> F (Fellowship) Spotlight

After the beatdown at the convergence on April 24, 2021, over a dozen PAX got together to clean up nearly 4 miles of Pearce Mill Road as part of F3's Pittsburgh's adopt-a-highway initiative. Over 30 bags of trash, debris, and other items were gathered and piled for proper disposal, improving the neighborhood in which Canada AO calls home.

## 3<sup>rd</sup> F (Faith) Spotlight

In case you haven't heard, our very own F's Q, Belding, is also the pastor of Steel City Church, a newer church to the Pittsburgh area located near the Greenfield area. Per the neat heading on the website, "Steel City Church exists to help people learn and live the ways of Jesus". I don't know about you, but that sounds pretty sweet to me. Belding himself will be leading the message **on 5/16 at 10:45 am**, so absolutely go check that out if you're looking for something to do that Sunday morning. Word on the street is he'll be rocking a fresh pair of Kennywood pants as a sermon illustration.

# Stats Snapshot

The charts you see here are typical things that we will be reporting on, just so the PAX have an idea as to what things look like on a monthly basis. A lot of times when you are heads down in the day to day, you don't get that 10000 ft view of what is actually happening within the group. This is an effort to easily provide that view. We will post the charts here in the newsletter, they will be posted to the website, and also posted to the appropriate Slack channels.
